

LES VISIONNAIRES

LES VISIONNAIRES is the new lifestyle brand from Düsseldorf with a focus on high-quality leather fashion accessories. We make uniquely crafted and sustainable high fashion accessories accessible to all. We put our entire knowledge, passion and creative excellence into every single product – with respect for the people who work for us, the materials we work with and the earth we live on.

(FREELANCE) FASHION ACCESSORY DESIGNER (F/M/D)

We are looking for the brightest visionaries to join our start-up now! As a (freelance) designer you will have the main on:

- You design leather handbags, small leather goods and belts
- You are there from trend research to production maturity
- You are in constant contact with our product developers and suppliers

What WE expect:

- Successfully completed studies with a focus on fashion design
- Excellent handling of Adobe Illustrator, InDesign & Photoshop, Microsoft Office
- Ideally knowledge of 3D design / modeling
- Experience in managing a critical path for design and any relevant steps along the process
- Well organized, self-driven and solution-oriented work ethos
- High level of flexibility and prioritisation of tasks
- Excellent communication skills in English (and any other language is welcome)
- Ideally, you already have experience in handbag or shoe design

What YOU can expect:

We live the „we“ – in our team, towards our partners and above all with our customers. We believe in the power of the community and always act in their interest. We don't prescribe anything or anything and prefer to celebrate colourful diversity.

Please include in your application your portfolio with photographs, examples of mood boards, inspirational research, illustrations and technical sketches to show us how you create. We look forward to your application - preferably online.
